

HOMETOWN HEROES VETERANS BOOKLET

The Village Board has engaged Nicholas Thomas, a Mt. Markham HS senior to gather information about each of the Military Veterans whose banners are being displayed within the Village in order to compose a booklet highlighting each of them.

The following information is needed for this:

1. Name of Veteran, Rank and Branch of Service
2. Has your Veteran received any special decorations or recognition for his/her service ?
3. How is your Veteran connected to the Winfield Community?
4. Any additional comments that you would like to add about your Veteran's Service to his/her country or commitment to the Winfield Community.

Please email this to Nicholas at wwhometownheroes2024@gmail.com and include your name and relationship in the comments section so you may be recognized as the one who submitted the information.

You may also drop off or mail the Questionnaire to the Village Office at 179 South Street, P O. Box 308, West Winfield, New York 13491.

Thank you for your participation in this project.
